SUBJECTS and NAMES

A

ACCESS
Access—September 588
Access Board Issues Final Accessibility Standards—May 310
Access to Information by People with Visual Impairments in Turkey—June 366–368
AER Environmental Access Committee is Expanding—October 647–648
Awards for Access Engineers—May 313–314
Challenges to Video Description Regulations—August 501
Eastern Europe—September 586
A Field Guide for the Sight-Impaired Reader: A Comprehensive Resource for Students, Teachers, and Librarians. Andrew Leibs. Westport, CT: Greenwood Press, 1999, 247 pp., hardcover, $49.95. Reviewed by Ian Stewart—December 767–768
Government Program for Independent Living and Housing—August 500–501
Installation of Talking ATMs—May 312–313
Online Shopping for People With Disabilities—October 648
Participation is Invited for eDescription Project—November 711
Reviews of Internet Appliances That Use Computer Display Technology—June 373
Task Force on Competencies: A Key Step Toward Alleviating the Critical Shortage of Access Technology Trainers in the United States—September 584–585
Two NCAM Access Projects—May 312
Voice-Command Internet Access—November 713
WGBH Receives Grant for Internet Access Project—October 648

ACCESSABILITY
New Offices—May 316

ACCESSIBILITY
Access Board Issues Final Accessibility Standards—May 310
ADA Lodging Guidelines for People Who Are Blind—August 504
Adding Audiodescription: Does It Make a Difference?—April 197–212
Address Change—May 316
Book on Universal Design—August 506
British Antidiscrimination Legislation and Wayfinding in Buildings in Scotland—February 69–79
Feel the Music: A Review of Music Production Software—April 248–249
Mental Representation of Spaces and Objects in a Historic Site: Influence of Visual Impairment—March 172–175
More Accessibility for Math Students: AFB Solutions Forum Stakeholders and Their Pursuit of Braille Conversion Software—March 184–188
Partnership—May 314–316
Technology for Blind Students in the Philippines—February 122
Video Magnifier—September 590–591

ACCESSIBLE PEDESTRIAN SIGNALS (APS)
AER Environmental Access Committee is Expanding—October 647–648

ADAPTIVE TECHNOLOGY
Access Board Issues Final Accessibility Standards—May 310

ADJUSTMENT TO BLINDNESS
The Adjustment Processes of Adults Who Are Adventitiously Blind in Taiwan—December 761–764
Films—January 53

ADOLESCENTS
Adolescence: The Age of Opportunities and Obstacles for Students with Low Vision in Sweden—April 213–225
China and the Philippines—September 585–586
Learning to Solve Word Problems in a Middle School Vision Class—December 757–760
The Self-Concepts of Spanish Children and Adolescents with Low Vision and Their Sighted Peers—March 150–160

AFB PRESS
Appointment—October 650

AFRICA
Africa—September 586
